

## Philtrum shape

Category number and description	image
(1) Deep groove, Philtrum width is narrow	
(2) indentation near vermilion border, narrow philtrum	
(3) indentation near vermilion border, wide philtrum	
(4) deep groove, average philtrum width	
(5) no indentation, wide philtrum	
6 indentation near nose, average philtrum width	
7 indentation in the middle, average philtrum width	

## Cupid's Bow

Category number and description	image
(1) flat	
(2) U shape	
(3) Vshape	

## Upper lip contour

Category number and description	image
(1) concave	
(2) straight	
(3) pseudo convex	
(4) convex	

### Upper lip border

Category number and description	image
(1 ) full vermilion border and double border	
2 full border with clear boarder at cupid Bow	
3 no vermilion boarder	

### Lower lip contour

Category number and description	image
1 narrow in the midline	
2 curved	
3 markedly curve	
4 straight	

### Lower lip border

Category number and description	Image
(1) non	
(2) full	
(3) middle	

### Lip chin profile shape

Category number and description	Image
(1) curved concavity	
(2) marked angular concavity	
(3) convex area	

(4) angular concavity		
(5) flat		

### Lower lip Tone

Category number and description	image
(1) none	
(2) central concavity	
(3) marked lateral mounds and central concavity	

(4) wide concavity

(5) bumped area
