existing her discrimination

We now turn to the implicit bias of the selection of candidates. As we have seen, the selection of candidates is biased by various factors, including the examiners' own prejudices and stereotypes. We need to be aware of these biases and be able to correct for them. This will require training and education for the examiners themselves.

The rejection of sawhorses in the mahajana

The book of the mahajana is a key text in the study of the religion. It contains the teachings of the Buddha and is considered to be one of the most important texts in Mahayana Buddhism. The book is divided into several chapters, each of which deals with a different aspect of the religion. The chapters are
