This work was undertaken by SURE jointly with the Health Development Agency (HDA). SURE forms part of the Wales Collaborating Centre, one of two HDA Evidence and Guidance Collaborating Centres on Obesity.

From 1 April 2005, the functions of the HDA will transfer to the National Institute for Clinical Excellence. The new organisation will be the National Institute for Health and Clinical Excellence (to be known as NICE). It will be the independent organisation responsible for providing national guidance on the promotion of good health and the prevention and treatment of ill health.
